

Digital Publishing at the Getty

- Mandate: publish the museum's collection catalogues in a digital format
- Attempts to shoehorn academic books into a CMS didn't work very well
- Team of 2 (developer, product manager) embedded in a larger print publishing team
- Didn't want to lose the beautiful design and long-term availability of printed books

Web books on the JAM Stack

- *Ancient Terracottas from South Italy and Sicily*, Maria Lucia Ferruzza
- *Roman Mosaics in the J. Paul Getty Museum*, Alexis Belis
- *Ancient Lamps in the J. Paul Getty Museum*, Jean Bussière and Birgitta Lindros Wohl
